presents

FOUR ONE—ACT PLAYS

and

AN INTERLUDE OF CAROLS

December 9th and 10th, 1960

at 7.00 p.m.

THE SECOND TOWNELEY SHEPHERD'S PLAY

This play was written by an anonymous author at about the beginning of the fifteenth century. It was part of a cycle of plays of Biblical stories acted at Wakefield in Yorkshire by members of the various guilds in the town. Although the Biblical story behind it may not at first be apparent the play shows that in medieval times religion was not immune from humour.

Cast

COLL	K. CLUTTERBUCK
